Rm 422 / 3/10/2011

Hi Riley-

Please support HB 361.

The continued reduction of elk archery permits has definitely had a negative impact on our business and the local economy here in Northeastern Montana. I went to the public meeting in Glasgow where most comments were in favor of keeping elk permits where they were at, yet the FWP decided to reduce them. All of the hunting districts are either "at" or "above" population objectives. Anything you can do to SUPPORT HB 361 which will be heard in the Senate Committee on Thursday at 3 PM, would be appreciated. Thank you for all you do.
